***Kathie Riebe***

***Director of Music Ministries***

Kathie has been involved with music her whole life. But it wasn't until 1983 that she began her formal journey into Church Music as a career. Although God had a hand in her life before, it was clear that this is where He was leading her. "It all comes alive when you put it to music."

She received her formal education from CSU Sacramento and has been continuing her education through "Tuning at Tahoe" and "Music and Worship Week" where she has studied vocal pedagogy, directing, Handbell techniques and Worship. She has been blessed to serve in this capacity in California, Guam, Arkansas, South Dakota, Texas, and now in the Carolinas.
